PROFESSIONAL SUMMARY

Results-driven BBA student at Lahore School of Economics (Marketing + Data Analytics) with hands-on experience in brand strategy, social media management, consumer research, and financial analysis. Raised PKR 550,000+ in fundraising, managed a live brand's full digital presence, and conducted SQM analysis using Minitab. Built and shipped three portfolio SaaS products — RestockIQ, StudyForge, and FulfillIQ — end-to-end using React, Supabase, and Claude AI. AI-literate with Anthropic Academy certifications. Seeking a marketing or analytics internship where I can contribute meaningfully from day one.

EDUCATION

Bachelors in Business Administration — Lahore School of Economics	May 2027
Major: Marketing Minor: Data Analytics & Mathematics CGPA: 3.15	
GCE Advanced Level — Roots Millennium	May 2023

PROFESSIONAL EXPERIENCE

Carte Blanche By Nabeel Ahmed — Social Media Manager	Jun 2024 – Jun 2025
- Owned the brand's full digital strategy — content creation, audience engagement, and platform growth over 12 months - Grew online visibility and follower engagement through data-informed content planning and community management	
Business Line Solutions — Management Trainee Officer	Jun 2025 – Oct 2025
- Contributed to month-end financial closing activities, supporting accurate and timely reporting under senior guidance - Built hands-on competence in budgeting, financial analysis, and corporate reporting	
MAXM (Remote) — Data Entry Assistant	Jan 2021 – Jan 2023
Managed 2 years of financial records for an international client using QuickBooks — invoices, receipts, and expenses	

ADDITIONAL EXPERIENCE

Rizq LSE — Director of Fundraising	Jan 2025 – Present
Raised PKR 300,000+ through corporate partnerships, digital campaigns, and campus events; led a volunteer team	
ES Global — Marketing Intern	Jul 2024 – Aug 2024
Supported content planning and digital campaign execution for education counseling services	
Rizq Roots Millennium — Director of Fundraising	Jan 2021 – Jan 2022
Raised PKR 250,000 through strategic campaigns and community outreach as part of a youth-led A-Level initiative	

PROJECTS

FulfillIQ — Order-Promising Engine for Small Manufacturers
- Built a micro SaaS where manufacturers enter an order (product, qty, delivery date) and the system explodes the bill of materials against current stock and supplier lead times to return a feasible / at-risk / infeasible verdict - Tech stack: React, Tailwind CSS, Supabase, Vercel; built end-to-end using Claude Code
RestockIQ — Raw Material Inventory & Restock Alert System
Full-stack micro SaaS for small manufacturers to track raw material stock, log production withdrawals, and trigger restock alerts with color-coded dashboards and stockout forecasting
StudyForge — AI-Powered Exam Prep Tool
Web app where students upload course material and receive AI-generated day-by-day study plans; integrated Claude API with rate-limited demo mode
SQM Analysis — Toyota Motor Corporation
Applied full SQM toolkit in Minitab (X-R, X-S, P, NP, C, U charts) across 500+ data points; Process Capability Analysis (Cp & Cpk = 0.44 vs. 1.33 benchmark) led to Six Sigma DMAIC recommendations
Consumer Behaviour Analysis — OPA Fries
Designed a 41-question primary survey and analyzed 5 consumer profiles using psychographic, semiotic, and sensory frameworks; identified crispiness as the #1 purchase driver (100% of respondents) and recommended TikTok-led youth marketing and flavour diversification
Principles of Marketing — Rebranding of Top Pops
Developed a full rebranding strategy and modern packaging design to reposition Top Pops in a competitive snack market
